Alright well like i said i'm just the medical underwriter here my job is just to get the info out there out to ya. What they have me do is run through about a 5-10 minute eligibility check, just to figure out what you qualify for.

With that being said, are you typically more of a morning, afternoon, or evening person? ok perfect, well they got me out there in the your area the next couple of days helping about 15 other families like yourself who requested the same thing, does _____ O'Clock or _____ O'Clock work better? Ok perfect, well i'll be out there at _____ O'Clock.

I'll be driving a blue scion, i'm about 6ft tall, i'll have my state license with my name badge around my neck, and you'll know its me when I show up because I look a little bit better than Brad Pitt.

Ok (Clients Name), well i look forward to meeting and helping you on ___Day__ @ ___Time__ O'Clock.
